FCST-CR120-APP Universal Tee

The universal fiber optic raceway tee (also known as a multi-directional or modular tee) is a highly flexible cabling connector. Breaking free from the limitations of fixed angles, it utilizes modular configurations or specialized structural designs to allow for the flexible adjustment of branching directions based on on-site requirements, enabling the convergence and divergence of three fiber optic cable paths at any angle within horizontal or vertical planes.

- Flexible adaptability.
- Easy to install and remove.
- Compatible with 120mm fiber optic raceways.
- Compliant with the UL94-V0 fire safety standard.

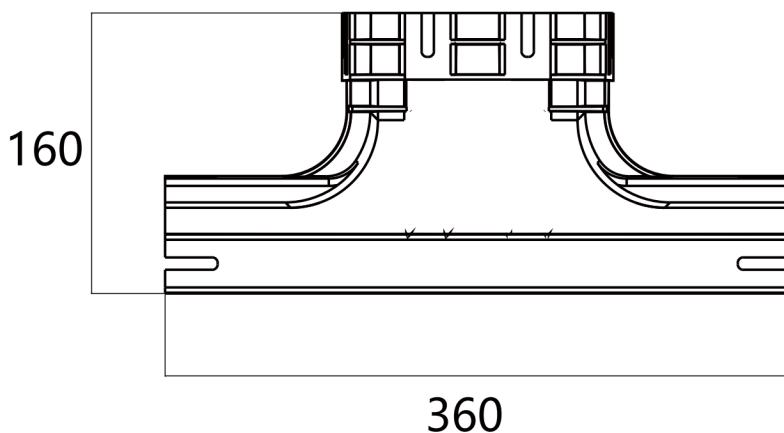

Product Specifications

Construction	Description
Material	ABS
Flame-retardant Rating	V0
Packaging	20PCS/CNT 9KG
Weight	40g

Product Structure

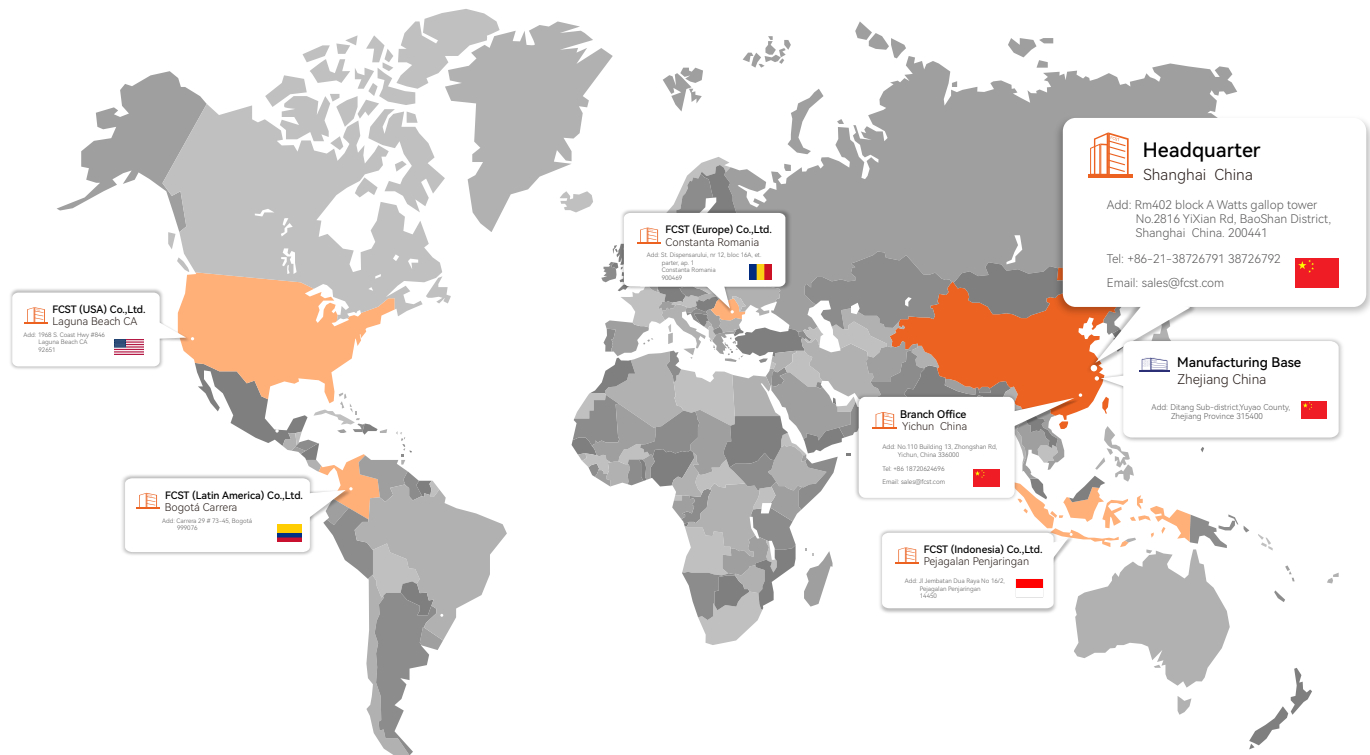

Unit:mm

Better FTTx, Better Life.

Fiber Cable Solution Technology Co.,Ltd.

FCST - Better FTTx, Better Life.

At FCST, we manufacture top-quality microduct connectors, microduct closure, telecom manhole chambers and fiber splice boxes since 2003. Our products boast superior resistance to failure, corrosion, and deposits, and are designed for high performance in extreme temperatures. We prioritize sustainability with mechanical couplers and long-lasting durability.

FCST aspires to a more connected world, believing everyone deserves access to high-speed broadband. We're dedicated to expanding globally, evolving our products, and tackling modern challenges with innovative solutions. As technology advances and connects billions more devices, FCST helps developing regions leapfrog outdated technologies with sustainable solutions, evolving from a small company to a global leader in future fiber cable needs.
